

RULES AND REGULATIONS

1. Every visitor must read these rules and regulations before starting the routes. The instructions are compulsory. The custodians or supervisors responsible must explain the rules and regulations to children under 12 years of age.
2. Children under 12 years of age must be accompanied by an adult person. The minimum body height is 135 cm. The admissible minimum weight is 20 kilos, the maximum weight 120 kilos.
3. Use of the Rigi rope park and the risks associated therewith are at each individual's own risk. The park is not permanently supervised. Rope park staff is only responsible for instruction, monitoring and assistance. Each visitor takes the routes independently and at their own risk.
4. All visitors are responsible for their own safety. Insurance is the visitors' responsibility. With their signature, visitors confirm that they participate in the event at their own risk and responsibility. The visitors explicitly renounce from prosecuting the organizer in case of accidents with liability claims. This liability renunciation is not applicable in case of culpable negligence of the organizer.
5. People suffering from physical or mental illnesses presenting a danger to their own or other peoples' health and safety are not admitted to Rigi rope park. People under the influence of alcohol, drugs or strong medication are refused access to Rigi rope park.
6. Cell phones, cameras etc. can only be taken along at one's own risk. Long hair should be tied up. Sports/casual wear and shoes with a good profile (good sneakers or walking boots) are recommended.
7. Rigi rope park staff reserve the right to exclude visitors violating the rope park rules or instructions given by staff from the park. All staff instructions and decisions must be strictly followed.
8. Rental equipment (helmet, harness, gloves etc.) must be used according to instructions for use and directives given. The material shall be returned to the ticket office unasked after the rope park visit. Any damage detected must be reported to rope park staff.
9. Any waste shall be disposed of in the designated bins. Food and drinks are strictly prohibited in the park. Smoking is prohibited everywhere in the park and in the forest (there is a smoking corner in the pick nick ground by the rope park).
10. The Seilpark Rigi GmbH reserves the right to close business for safety-related reasons (fire, storm, thunderstorm, bad weather etc.); no entrance fee refund will be granted in this case.
11. Seilpark Rigi GmbH refuses liability for any damage in case of disregard, evasion or violation of the rules. Any liability for damage occurring in direct or indirect connection with the use of Rigi rope park is refused.
12. The place of jurisdiction is Küssnacht, Schwyz. Swiss law is applicable.

With their signature, the signatory confirms having read the rules and regulations as well as comprehension and acceptance thereof.
